State Senator Chris Larson www.voteforlarson.org

Chris Larson is a current WI State Senator running for Milwaukee County Executive in the February 18th primary. In 2008, Larson successfully ran for Milwaukee County Supervisor and led the coalition to pass a countywide advisory referendum to fund our parks, transit, & emergency medical services with a 1% sales tax while reducing property taxes. Senator Larson was at the forefront of fighting against the attacks on workers in our state during Act 10. Chris Larson knows that progress is only made when we all work together to find solutions. Milwaukee County can no longer be content with simply reacting to the problems arising from festering wounds grown through decades of division.

County Board Chairman Theo Lipscomb www.votersforlipscomb.com

Theo has served our county on the Milwaukee County Board of Supervisors for 12 years, the last five as Chairman. He's spent his time in public service addressing the issues that matter to our communities the most. From deferred maintenance in our parks, to increasing transit for access to jobs, and getting a "Fair Deal for Milwaukee County" from the state, he's put politics and personalities aside to produce results. Prior to being a public servant for the county, his background in architecture and urban planning led to management roles in both the private and nonprofit sectors. He's running for county executive as the most qualified candidate to address the needs of Milwaukee County moving forward.
