

2020 WISCONSIN ELECTIONS **FREQUENTLY ASKED QUESTIONS (REV 6/30 2020)**

2020 is an important election year. COVID-19 has created some additional challenges for voters and has increased interest in absentee voting. This FAQ addresses voting questions we are hearing from voters with disabilities. Read the FAQ to make sure you are prepared to vote!

For additional information, check our website at disabilityvote.org/

1. What other elections are scheduled for 2020?

August 11, 2020 Partisan Primary: The next statewide election is the primary election for all US Congressional Representatives; all State Assembly Representatives, State Senators from even numbered districts, and county District Attorneys.

November 3, 2020 General and Presidential Election: General Election for President and Vice President, for all US Congressional Representatives; all State Assembly Representatives, State Senators from even numbered districts, and county District Attorneys.

2. What can I do to be prepared to vote?

- **Voter Registration:** Check to be sure you are registered to vote and that your voter registration name and address are current. If you are not registered, don't delay – register to vote now.
- **Absentee:** Request an absentee ballot now for the August and November elections. Because it is likely there will still be restrictions related to COVID-19, we encourage voters to submit their requests for an absentee ballot NOW.
- **Be Informed:** Learn about the candidates.

See additional detail in this document for each of these actions.

3. Am I registered to vote? If not, how do I register?

- To determine if you are registered to vote, check myvote.wi.gov/
- Confirm that your voting address and name are current. If not, you may update them online.

- If you are not registered to vote, you have these options:
 - **Online** at myvote.wi.gov/. Up to 20 days before Election Day. Requires a valid State of Wisconsin Driver License or State of Wisconsin ID card issued by the DMV.
 - **Mail**. Up to 20 days before Election Day. Mail completed form to your municipal clerk.
 - **In person** at your municipal clerk's office during the clerk's business hours. You must provide proof of residence. This option ends 5 PM on Friday before election. [Find your Municipal Clerk's Contact Information here.](#)
 - **At your polling place** on Election Day. Must provide proof of residence and a Photo ID.

4. What documents do I need to register to vote?

All voters MUST provide a Proof of Resident Document when registering to vote.

- If you register online at myvote.wi.gov/ your valid State of Wisconsin driver's license or State of Wisconsin ID card issued by the Wisconsin Department of Motor Vehicles (DMV) qualify as a valid Proof of Residence document.
- If you register to vote by mail, in-person in your clerk's office, or at your polling place on Election Day, you need to provide a Proof of Residence document. In addition to a valid State of Wisconsin driver license or state ID card with the voter's current address, other documents may be used as proof of residence for registering. Some examples are a current utility bill, lease, a paycheck or paystub, a university ID card or other official document showing the voter's name and current address. See a list of acceptable documents at: myvote.wi.gov/en-us/ProofofResidence

5. I have a Guardian. Am I able to vote?

In Wisconsin, a person under guardianship retains the right to vote unless the court expressly removes it.

- If an individual is under guardianship and unsure of their right to vote, the Court's decision regarding the right to vote is recorded on a court form called "A Determination and Order on Petition for Guardianship Due to Incompetency." (GN-3170).

- The language in the court order will not specifically say that the person has retained the right to vote, however, a box will be checked if the right has been removed.
- If someone is under guardianship and not sure if they have the right to vote, they should:
 - Ask their guardian to look at the “Determination and Order form” mentioned above to see if their right to vote was removed. A copy of this form may be requested from Probate Court in their county (costs about \$2.00 to get a copy).
 - OR
 - Contact the Municipal Clerk for their community. The Clerk can check the list they receive from the state of individuals adjudicated incompetent and ineligible to vote.

A person who has a guardian and has lost the right to vote may petition the court to restore their right to vote (Wis. Stat 54.64(2)(a)).

6. I want to vote absentee. Am I eligible to vote absentee?

- Any **registered Wisconsin voter** is eligible to request an absentee ballot for any reason. If a voter is not registered, they must **register to vote** before an absentee ballot can be sent to them.
- **We encourage all voters to act now to request absentee ballots for both the August and November elections.**

7. How do I request an absentee ballot?

- A voter can apply for their absentee ballot in-person in the clerk’s office or the request can be made in writing by mail or online at myvote.wi.gov/en-us/VoteAbsentee.
- You must provide a photo ID with your absentee ballot request if you have not submitted a copy of your photo ID for a previous request at your current address. If you are applying online at the MyVote website, you will need to upload a picture of your photo ID. Mobile phone users can take a picture and upload it to MyVote.
- If you are “indefinitely confined” due to age, illness, infirmity, or disability, you may certify this on your request and you will not need to submit a copy of your photo ID.

- If you mail your request, the request should state the election you are requesting an absentee ballot for, include the voter's name, voting address, mailing address (if different than voting address). Include or attach a copy of your photo ID (if not previously provided) or indicate you are indefinitely confined.
- You can mail your completed ballot if it is at least a week before Election Day. Otherwise, drop off your ballot at your polling place or at the clerk's office. Check with your clerk for additional information. Some communities have drop boxes for absentee ballots.

8. What is Early Voting / In-person absentee voting?

- Voters can vote early at their local clerk's office in advance of each election. This is also called "in-person absentee voting." If you need to register to vote, you may do so at this time.
- Each city, village and town in Wisconsin is responsible for setting the dates and hours of in-person absentee voting for their municipality. Some municipalities may only offer in-person absentee voting by appointment. Contact your clerk for absentee voting hours and locations: [Find my Clerk](#) on MyVote Wisconsin.

9. I have a disability and I am not sure if I am an "indefinitely Confined" voter.

Wisconsin law provides an option for a voter who is indefinitely confined because of age, physical illness or infirmity or is disabled for an indefinite period to sign a statement to that effect when requesting an absentee ballot. This requests that an absentee ballot be sent to the elector automatically for every election. Indefinitely confined voters are **not** required to provide a copy of their photo ID.

According to the Wisconsin Elections Commission, "Designation of indefinitely confined status is for each individual voter to make based upon their current circumstance. It does not require permanent or total inability to travel outside of the residence. Statutes do not establish the option to require proof or documentation from indefinitely confined voters."

10. I live alone. Who can I get to sign as my witness on my absentee ballot envelope?

Absentee voters must have someone witness their absentee ballot by signing and providing their address on the certificate envelope. The witness signature confirms the voter voted the ballot and placed it in the envelope for return. The witness must also be a U.S. citizen. This is a requirement for your vote to be counted.

11. What is the deadline for returning my absentee ballot?

- You must return your absentee ballot by mail or delivery to your [municipal clerk](#), your polling place, or a local dropbox established by your clerk (if available). Your ballot must be received by your municipal clerk no later than 8:00 p.m. on election day.
- You may have someone else deliver your ballot for you.
- Return your ballot as soon as possible to ensure your vote is counted. If it is within a week of the election, the US mail may not get your ballot there in time. If at all possible, drop off your ballot to your clerk or to a drop box if available.

12. How do I know if my absentee ballot request was received or if they received my completed ballot?

- Check the status of your absentee ballot at myvote.wi.gov/en-us/MyVoterInfo. You can check the status of your absentee ballot from the initial request through when they received your completed ballot. See example below.

You have an absentee ballot on file for this election:

Request an absentee ballot	Ballot request sent to clerk Mar 12, 2020	Ballot request received Mar 12, 2020	Absentee ballot mailed to me Mar 19, 2020	My completed ballot was received Mar 27, 2020
-----------------------------------	---	--	---	---

13. I need to vote in person for the August and November elections. Do you have any tips for staying safe while voting in person?

- Review your ballot online before you go to the polls. That will give you a chance to research candidates in advance and decide who you want to vote for to minimize the amount of time you have to spend at the polls. To see who is on your ballot go to myvote.wi.gov/en-us/PreviewMyBallot
- Check your polling place before you go. It may have changed. You can find your polling place at myvote.wi.gov/en-us/FindMyPollingPlace. You may also want to call your municipal clerk to check as there is not a deadline for making updates on the My Vote WI website. Find your municipal clerk here myvote.wi.gov/en-US/MyMunicipalClerk
- **You must have an Acceptable Photo ID to vote**, such as a current Wisconsin Driver's License or State ID. Bring It to the Ballot has a list of acceptable Photo Ids: bringit.wi.gov/
- If you are not able to enter your polling place due to disability, you may request **curbside voting**. Curbside voters are exempt from signing the pollbook. We recommend that you contact your Municipal Clerk in advance to determine the process to access curbside voting.
- Your polling place may be offering drive through voting.
- Voters who are unable or unwilling to use the drive-through process should have the ability to vote using traditional methods in the polling location, or the location that may have been moved outdoors to complement the drive-through voting option. **This includes the use of accessible voting equipment if requested.**
- You may want to bring a black pen to use to mark your ballot.
- If you must get out of your car to vote, practice social distancing, and wash your hands before and after you vote.
- Be patient and courteous. Election workers are doing their best under difficult circumstances.

14. As a voter with a disability, what are some key rights I should know about before I vote in person?

- Right to vote privately and independently
- Right to access the polling place, including an accessible route to enter the building.
- Right to use an accessible voting machine (all polling places are required by law to have an accessible voting machine on site)
- Right to assistance with marking your ballot (you may bring someone to assist you or ask a poll worker. Poll workers are required to assist you if you request it. You cannot receive assistance from your employer or union representative)
- Right to ask for reasonable accommodations at the polling place such as, chair to sit, signature guide, magnifying glass, assistance stating a person's name/address or assistance signing a person's name or marking a ballot.
- If a voter cannot enter the absentee voting location or polling place due to disability, Wis. Stat. § 6.82(1) requires that curbside voting must be available. *Tip: contact your clerk in advance to discuss how to access curbside voting. (number to call, bell to ring, etc.)*

- **Ask questions.** The Disability Vote Coalition, NAMI Wisconsin, The Arc Wisconsin, and other groups may share sample questions that

you can ask the candidates. You may also want to share background on issues that are important to you.

- **Review your ballot in advance of the election.** You may view your ballot online at myvote.wi.gov/. Ballots are typically available 47 days before an election with federal contests and 21 days before state and local contests.
