Voter Registration: Join Us Promoting Civic Engagement & Inclusion September 17, 2021 12 noon – 1 PM

Join the Wisconsin Disability Vote Coalition and our partners for our *National Disability Voter Registration Week* webinar for service providers. We will share guidance and resources to help you support those you serve with voter registration, and obtaining photo ID.

Voting is the cornerstone of our democracy, but many people with disabilities and older adults experience barriers to casting a ballot. Service providers can make a big difference by assisting with voter registration.

Audience: Organizations that support people with disabilities and older adults such as ADRCs, HMOs, MCOs, IRIS agencies, mental health and human services staff, residential providers, long term care staff, DVR staff, other employment staff, and other agencies interested in supporting voter registration.

Webinar Speakers:

- Barbara Beckert, Disability Rights Wisconsin
- Margaret Kristan, iCare
- Janet Zander, GWAAR

Additional speakers will share their agencies' best practices to support access to voting.

The webinar will be captioned. Other accommodations may be requested when you register.
