

Make Your Plan to Vote in the November 8th Election!

Thursday, September 29, 2022

7:00 – 8:00 pm

Join us on Zoom and Facebook Live for this interactive session

Vision loss should not be a barrier to exercising your right to vote. Vision Forward, Wisconsin Disability Vote Coalition, Disability Rights Wisconsin, the Wisconsin Council of the Blind and Visually Impaired and the Statutory Council on Blindness are teaming up to make sure people with vision loss are set up to have a successful voting experience this fall. Join us for an interactive session covering information on how to vote and your voting rights. We will also address barriers voters have experienced in previous elections and your accessible voting options for the November 8th election.

Submit your voting questions before the session to Info@Vision-Forward.org and they will be addressed on September 29. Closed captioning will be available with the Zoom session. If you have disability-related accommodation needs, contact Info@Vision-Forward.org by September 15. If we hear from you after that date, we will do the best to be responsive but cannot guarantee that we will be able to meet your needs.

Register for this Zoom session with this link: <https://vision-forward.org/votewebinar>
or connect via Vision Forward Facebook page to the Facebook Live stream.
