

Why Vote Absentee?

Many voters with disabilities prefer voting absentee because of difficulty getting transportation to the polls, accessibility concerns, health issues, concerns about COVID-19, or other reasons.

Note: Wisconsin does not currently have a screen reader accessible absentee ballot. The Disability Vote Coalition is advocating for this important accessible option.

Who can assist me with absentee voting questions?

- Contact your municipal clerk for assistance with absentee voting and how to request and return your ballot.

Find your clerk's contact information at myvote.wi.gov/en-US/MyMunicipalClerk.

- The Disability Rights Wisconsin (DRW) Voter Hotline can assist, especially with disability-related voting questions:

- **Call:** 844-DIS-VOTE / 844-347-8683
- **Email:** info@disabilityvote.org

- Wisconsin Elections Commission: Call 866-VOTE-WIS or email elections@wi.gov

Who can request an Absentee Ballot?

- Any **registered Wisconsin** voter is eligible to request an absentee ballot.
- Special provisions are made for hospitalized electors and sequestered jurors to request and vote by absentee ballot on election day. Contact your **municipal clerk** for assistance: myvote.wi.gov/en-US/MyMunicipalClerk.

I want to vote absentee, but I am not registered to vote

- If you are not already registered, you will need to register to vote before an absentee ballot can be sent to you.
- You may register online at myvote.wi.gov/en-us/RegisterToVote, by mail, in person at your municipal clerk's office, or at your polling place on Election Day.

Deadlines: If you are registering by mail or online, you must register at least 20 days before the election. After this deadline, you can register at your clerk's office or at your polling place on Election Day.

When should I request my Absentee Ballot?

- Request your absentee ballot **at least two weeks** before the election to allow time to receive, complete, and return your ballot.
- **Accommodations:** If a voter needs an accommodation, such as a large-print ballot, include that information on the absentee request or contact your clerk as soon as possible.

Requesting an Absentee Ballot

Online

- Request an absentee ballot at myvote.wi.gov/en-us/VoteAbsentee.
- If you have not requested an absentee ballot before, you will be asked to upload a copy of your photo ID: a Wisconsin Driver's license or state ID card.
- The ballot will be mailed to you.

By Mail

- Download the Application for Absentee Ballot from the Wisconsin Election Commission web site: elections.wi.gov/wec-form/absentee-ballot-request
- You must provide a copy of your acceptable photo ID with your application, unless you are exempt by law. Information about photo ID: bringit.wi.gov.
- Complete the form and mail it to your municipal clerk's office.
- Mail your application as soon as possible to allow time to receive and return your ballot.

By Email

- **Email your clerk with a ballot request.** State your full name, Wisconsin voting address, the election you want a ballot for or if requesting for the calendar year, and mailing address if different than voting address. Include a copy of your photo ID unless it is already on file or you are exempt by law.

In-Person

- Apply for an absentee ballot in person at **your clerk's office**.

Early Voting (In-Person Absentee Voting) at Your Municipal Clerk's Office

- You can apply for and vote your absentee ballot in-person before Election Day. Contact your municipal clerk to learn more about your community's in-person absentee voting options, locations, and hours of operations.
It may also be listed on MyVote Wisconsin at myvote.wi.gov.

What if I always need to absentee vote due to disability, age, physical illness, or infirmity?

- If you always need to absentee vote due to disability, age, physical illness, or infirmity, you may certify that you are an **“indefinitely confined”** voter. “Indefinitely confined” does not require permanent or total inability to travel outside of the residence. The law does not require a voter to provide documentation of this status.
- An “indefinitely confined” voter will have their ballot mailed to them for each election until they don't return a ballot. If this occurs, the municipal clerk will contact the voter to see if they want to remain on the “indefinitely confined” voter list.
- Wisconsin law exempts voters who are indefinitely confined from the requirement to provide a Photo ID.
- How to apply to be an “indefinitely confined” voter:**
Complete the absentee ballot application. Choose the “indefinitely confined” option in section 6 of the form, certifying that you are indefinitely confined, or send a request in writing to your municipal clerk.

Voters Who Live in a Care Facility

If a voter lives in a care facility such as a nursing home or group home and does not have an acceptable photo ID, the resident may certify that they are an “indefinitely confined” voter.

Or, if the voter does not certify as indefinitely confined, the care facility administrator can sign a special certificate (EL-122sp) to verify the voter's identity. This certificate is available for download on the Wisconsin Elections Commission website at elections.wi.gov/wec-form/official-absentee-ballot-applicationcertification.

Completing Your Absentee Ballot

- Complete and return your absentee ballot **AS SOON AS POSSIBLE**. The US Postal Service recommends to allow at least one week.
- Be sure to read and follow the instructions that are included with your absentee ballot.
- Find a time when you can have someone witness you completing your ballot. Absentee voters must have someone witness their absentee ballot by signing and providing their address on the certificate envelope. Your witness can be any adult U.S. citizen except for a candidate on your ballot. The witness should not view the voter's choices. Make sure your witness completes the required information.
- Use blue or black pen to complete your ballot.
- Review your name and address on the return envelope to ensure it is correct.
- Put your ballot in the return envelope.
- Sign and date the certificate on the return envelope on the line marked "Signature of Voter."
- Have your witness sign the certificate envelope on the line marked "Signature of Witness" and write their address underneath the witness signature.
- Seal the envelope.
- Mail or deliver your ballot to your clerk by the deadline.

Getting Assistance

- If you need help reading or completing your ballot or absentee return envelope, you may request assistance from anyone who is not your employer or a representative of your labor union.
- Your assistant may also serve as your witness.
- Explaining how to fill out your ballot or return envelope is not considered "assistance."
- Your assistant must sign in the Certification of Voter Assistance section on your ballot.
- Your assistant can read your ballot to you or fill out your ballot under your direction, but cannot tell you how to vote.
- If someone signs your absentee return envelope on your behalf, make sure they also sign in the Certification of Assistant section.
