Wisconsin Disability Vote Coalition's Voter Education Series

2024 is a big election year, and we've got you covered! Join us for the first two webinars in a series we are offering this year to make sure you're prepared to vote in every election.

The first two webinars will help you get registered, check your registration, and give you the ins and outs of absentee voting. Then, we'll get into disability voting rights and why voting in every election is important.
